## **Sept. 13 Show Update -**

Dolly distributed some of the show duties. Nancy Harrison took the ribbons home to put in sets for show and count, she will let Laura Q. know if more are to be ordered. Laura Q. will order any additional Champion Ribbons and Res. Champion ribbons. Sally Higgins will refresh the flowers for the show. Dolly will ask the caterer if he can also supply breakfast items. Still in need of some volunteers. Nancy Harrison offered to scribe if she is in town, and will let Dolly know. If Nancy does scribe Lori Mitchell will train with her.

We will need to iron out more details and take care of last minute items during the next meeting.

## **Future Chapter Plans –**

We will need to decide on shows for the next year. With the 2010 WEG being in Kentucky, the RMDS Championships will be held at the beginning of September next year. Do we even have a show then in Sept? Do we do our May show instead next year or try to find a new date?

Carol Von Michaels spoke about how fun the recent Team events were at Autumn Hill followed by a RMDS show. She will contact Julie at Autumn Hill to see if they are going to continue to do this again? If they are not we may want to? We also may suggest that we do it and Autumn Hill do it next year?

Again, will be further discussed at next meeting.

## **Winquest Presentation –**

Voted that the Foothills chapter would pay for the members who participated in the Winquest Seminar giving after the meeting at Table Mountain. Our members would only pay \$19 and members who attended the meeting before the presentation were allowed to attend for free. The Foothills Chapter paid for their fee of \$39.
